

Story about Work

I will go to work and try my best.

I will listen to my boss.

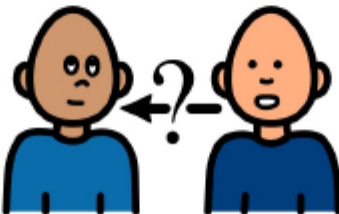

I will follow the rules.

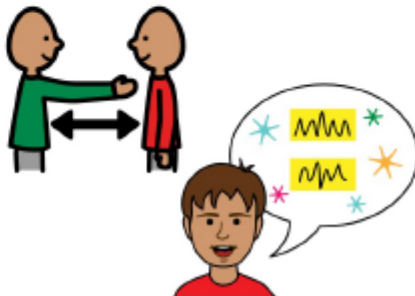

I will be a team player.

I will ask questions if I have any.

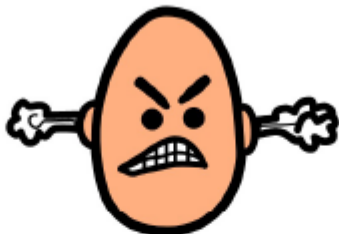

I will be appropriate.

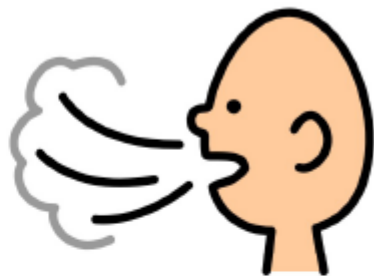

Sometimes work is hard and things go wrong.

I might not get my way and I may get angry.

I will calm by breathing.

I will calm my thoughts.

I will calm my muscles.

I will make a good choice.
